PRIVATE MEDICAL INSTITUTE

Established by

Dr. J. C. YOUNG, in 1850.

No Cure, No Pay.

consultation by letter or otherwise, FREE.

BENJ. F. JOSELYN, M. D.

THE CELEBRATED INSTITUTE

has enjoyed on this Coast an uninterrupted
success of eighteen years, and has become one of
the most celebrated institutions of the age.
The great number actually received and cured,
place it at the point of number of patients among the
first of the world and the success of its treat-

PRIVATE DISEASES

In Males, and Irregularities in Females are the great
destroyers of health. They insidiously attack the
system, and gradually undermine and destroy it;—
they drive the blood from the cheeks, the lustre
from the eye, the strength and vigor from the
frame, they give pain and diseased offspring, and
poison, through successive generations, the race of
man. The marks can be seen in scrofula, Con-
sumption, Cripples, the Idiots, the Paralytic, the
Lunatic.

There is no more terrible scourge to the human
race than these diseases arising from the con-
tamination Venereal Poison. The mildest forms, by
retreating to the blood, hold over the one afflic-
ted, the sword of destruction that is liable at any
moment to fall and blight—to utterly destroy—all
earthly hopes.

MERCURY, recognized as the most FATAL
MEDICAL ENEMY to man, combating with the
Venereal, doubles his dangers. Those who have
been treated with that pernicious MINERAL POI-
SON, are not cured; the disease has only assumed
a new form.

DO NOT BE SATISFIED WITH PARTIAL CURES
That leaves the poison to crawl through the sys-
tem, eating its way into the tissues and organs
beneath the apparently smooth surface, to burst
out in the future with a violence that will be
the effects of medicine. When PERFECT CURES
can be obtained by consulting a physician, whom long
practice and thorough investigation into the cause
of Diseases of the URINARY ORGANS, enable to
determine at once the cause of the disease.

In all diseases entrusted to the Doctor's care,
PERFECT SPEEDY AND PERMANENT CURES.

In all Cases Cures Guaranteed.
In Syphilis and its adjuncts, Gonorrhea and
accompanying diseases; in all disorders of the Blad-
der, Kidneys and prostate; chronic Weakness;
Diseases of the Heart and Lungs; Dyspepsia; Indi-
gestion; Impotency; Incipient Consumption; and
all diseases of the urinary organs in either sex, cure
always warranted, or NO PAY required.

SEMI-AL WEAKNESS.
The young man who experiences that growing
weakness in his muscular and mental organization
should stop to consider whence it arises. He will
find in the weakness of the back, trembling of the
limbs, disordered digestion, unaccountable failing
of the powers of the mind, distaste for society, dread
of impending trouble, and various other symptoms,
faintness, tremulous and lacerous dreams, accompa-
nied by growing weakness, loss of muscular power,
and numerous other symptoms of disorganization,
the positive traces of that most terrible and de-
structive of all diseases, seminal weakness—wasting
away his powers, destroying his hope of life and
marriage, and dragging him along the broken
path of his existence, toward a premature and
loathsome grave. To him who finds his life-drip-
ping out in the ditch of life, the vital principle of
existence, in nocturnal and diurnal emissions, the
mere cessant of the causes of its appearance—
brings no assurance of relief.

Marriage, the holy office, the safe-guard and
hope of mankind, brings to such a one no hope of
cure, but adds to his misery in the knowledge of
the one who looks to him for so much of her hap-
piness, is a victim of his evil, and an innocent com-
panion of his punishment. He adds to his misery
and dis-order until hope leaves him. There is no
rescue except in proper and skilful treatment—
Consult then, at once a physician whom long prac-
tice and careful research has made him thoroughly
conversant with every phase of the disease, those
who have been the victims of solitary vices, that
dreadful, degrading and de-structible habit, which
fills thousands of sick rooms with paralytics and
consumptives, and hundreds of untimely graves
with its misguided victims, should consult without
a moment's delay, one who will sympathize with
their sufferings, touch the Doctor would special-
ly recommend him, giving to each and all,
guarantee of a Perfect and Permanent Cure,
without hindrance from Business, Change of Diet,
or Fear of Exposure.

Do not forget the address. See below.

Important to the Ladies.

When a female is in trouble or afflicted with dis-
ease, and requires medical or surgical attendance,
the enquiry is, could be. Where is there a physician
who is fully competent to administer relief, and
whose respectable standing in society recommends
him to the confidence of the community? The Doc-
tor, understanding how imperatively necessary
these requirements are, feels called upon to inter-
pose, and by calling the attention of the afflicted
to the fact that he has been a Professor of Obstet-
rics and Female Diseases for TWENTY YEARS, and
is fully qualified to administer in all cases, both
medically and surgically, not in a superficial man-
ner, but in as thorough manner as years of study
and practice—both in hospitals and private fami-
lies—can make, to save them from the hands of the
unqualified, unscrupulous, and designing. There-
fore families can rely upon him as upon a father.

All in affliction can find in him one who can feel
and sympathize with, and befriend them in trouble
—one in whose society the utmost confidence can
be placed. Consultation (By Letter or Otherwise)
FREE. See address below.

The Celebrated Female Remedies.
Compounded from the private prescriptions of Dr.
Young, have now obtained a most extended popu-
larity, and are correctly viewed to be the safest
and surest remedies for the complaints for which
they are applied. The constantly accruing testi-
monials of their efficacy declared them to be pre-
eminently superior to their action.

No lady should be without these Renovating
Agents. None genuine unless procured at this
office. Sent by mail or Express to any part of the
State.

Prentive Powders for Married Ladies

These powders will be found of essential value to
those whose means, health, or other circumstan-
ces do not permit them to increase the number of
their family without inconvenience, suffering, and
perhaps risk of life. Their preparation is new, safe,
infallible, convenient and simple, and cannot in-
jure the health of the most delicate. It curtails
no privileges, but gives strength and vigor. It
usually cures it of the highest utility, and is
sustained by the soundest principles of prudence and
virtue. Their use should be avoided at certain
times. Price \$10 a box. Sent to any part of the
Coast perfectly safe from suspicion.

Remit the amount by Mail or Express, addressed to

OF FEMALE MONTHLY PILLS.

These Pills are now acknowledged by the Medical
Fraternity to be the only safe and effica-
cious remedy to be depended on in long standing
cases of suppression, irregularity, or stopping of
the functions of nature, the neglect of which is the
source of such deplorable effects on the female
frame. In no case should these Pills be taken
when the patient has reason to believe she is
expecting. Price \$5. Remit the amount as above,
and they will be forwarded with full directions for
use, CURED AT HOME.

Patients residing in any part of the State, how-
ever distant, who may desire medical advice on
their respective cases, and who think proper to sub-
mit a written statement of such in preference to
holding a personal interview, are assured that their
communications will be held most sacred.
